

The County Membership Scheme

The Scheme invites membership from Worcestershire Golf Club members to join and take part in very good value Handicap Competitions around the County.

The Scheme is a friendly group, and members may buy a tie based on the County colours.

The Scheme produces a surplus, which helps to supplement County activities.

Scheme Membership costs £5 per year or, if over 50, life membership is possible at £40

50 vacancies currently exist in the Scheme

The first 50 Membership applications received before the end of 5th August 2004 will be invited to the next event at Gay Hill on Thursday 26th August

This will be a Greensome event, £18 per pair, with ten valuable prizes on offer (Scheme Members are all individually invited to enter all events by post).
